SPONSORSHIP PACKAGES  
AND OPPORTUNITIES

# About The Tournament

JEDI's Golf Tournament raises money for the JEDI Community Fund, this is a program that supports community-focused initiatives in First Nations across New Brunswick. In previous years the fund has supported the Wolastoqiyik Treaty Day, community Powwows, and the Natoaganeg Community Food Centre.

This event is a fantastic opportunity to chat and network with Chiefs, band councillors, and community members, as well as, Indigenous entrepreneurs, JEDI staff, and our industry partners.

This year's tournament will be located at the Gowan Brae Golf & Country Club. Gowen Brae is considered one of the top-ranked courses in Eastern Canada. Situated along the Bathurst Harbour and overlooking the Bay of Chaleur, Gowan Brae offers great views and great golf. The 6700-yard layout has 4 sets of tees to challenge all skill levels, while being very fair and easy to navigate.

# About The Opportunity

We invite your organization to join our fundraising event and to spend a fun day on the golf course. All participants will also enjoy a delicious dinner and a chance to win some amazing prizes!

---
